

¡Ve usted estor!
FERNANDO.
¡Echados la absolución,
¡Previa alguna penitencia!
CLARA.
¡Borrad nuestra conciencia,
Mas antes con el perdón
La aguantarme hasta ahora,
Ya hizo bastante la pobre
Dios y libertad recobrar!
¡Quien por culpa esta llora,
Luis,
Las penas del purgatorio,
El pobre pasó á mi lado
Que con razón me ha olvidado!
Yo confieso, y es notorio,
CLARA.
¡Vosotros alguna vez!
¡Conque nos habéis querido
Luis,
¡Vuestro amor hemos perdido!
CLARA.

FERNANDO, MARIA, CLARA Y LUIS.

ESCENA XIII

¡Que han metido por medio!
No se halla más á quien
Nos humilla y desprecia!

505 LA NOVA DE NIEVE

510 SERA DE DON MANUEL YAMATO Y SUITE

LUIS.
¡Vamos! ¡se
Clemente,
CLARA.
En tono de súplica á Fernando,
¡Piedad!
FERNANDO.
Eh, quite!
LUIS.
¡Perdón, perdón, Mariquita!
CLARA.
¡Andase golpes de pecho,
¡Peque, Fernando, peque!
MARIA.
¡Séntase en el sofá!
Déjame.
FERNANDO.
¡Séntase en la butaca,
Si más te escucho....
CLARA.
Ay, Luis, nuestro ruego es vano.
LUIS.
Sentándose al lado de Fernando y asiendo una mano
¡Qué diablos! ¡Ahí va mi mano.
CLARA.
Sentándose al lado de María y besándole en la cara
Pues si yo te quiero mucho,
LUIS.
Hablando con Fernando,
¡Qué tal la niña!
CLARA.
Hablando con María,
¡Qué tal

¡Se ve!
Luis,
Con tanta impaciencia de España,
De contentarme, y castigo
¡Veo que estoy en peligro
Modera te seas!
FERNANDO.
¡Pace bien....
Con tanta impaciencia,
Luis,
Sin duda es cosa buena,
¡Oh! La colera de un hombre
FERNANDO.
Poco si en colera monte....
No quisiera aguar la fiesta!
Luis,
Una que sea sonada,
Que si pierdo el uno here
Cual plomo diviendo; y á lo
Yo la tengo volicionada,
Lo mismo,
FERNANDO.
Y á mi tambien!
Lo mismo,
Luis,
La suegra,
Esto es lo que á mi me endonde
Sin poder ya contenerse y levantándose
CLARA.
Si engañarnos se pretendes
Mas cómo llevarlo á bien!
Luis.

515 LA NOVA DE NIEVE

520 LA NOVA DE NIEVE

El novio!
Luis,
Fernando dará señales de impaciencia y reprimido suso; María de vivísimo dolor,
¡Conque dió al traste
Con tu juicio! Y qué, ¡soltaste
Promesa alguna formal!
CLARA.
Te habrá jurado....
Luis,
Es muy bella....
CLARA.
Que aspira á ser tu marido,
Luis,
Y pues la has comprometido,
Debes casarte con ella,
CLARA.
Este es, sin duda, su fin.
Luis,
Otras más pobres se casan,
CLARA.
Te envidio.
Luis,
Y cómo se pasan
Las noches en el jardín!
CLARA.
Si el amor es subyugó,
Sólo en fingir hay maldad.
Luis,
Si dijerais la verdad,
Yo no os culpará,
CLARA.
Ni yo.

The first of these is the
 fact that the system is
 based on a set of
 principles which are
 designed to ensure that
 the system is able to
 handle a wide range of
 situations. This is done
 by using a set of
 rules which are designed
 to be flexible enough to
 deal with any situation
 that might arise. The
 second point is that the
 system is designed to be
 able to learn from its
 experience. This is done
 by using a set of
 rules which are designed
 to be able to adapt to
 new situations. The
 third point is that the
 system is designed to be
 able to communicate with
 other systems. This is
 done by using a set of
 rules which are designed
 to be able to exchange
 information with other
 systems.
